MEMORANDUM

DGPC

CANADIAN FORCES COMMAND & STAFF COLLEGE
CAPT(L) G.R. JENKINS, SEC CP-3

1. CAPT Jenkins has been selected to attend the Canadian Land Forces Command & Staff College, Kingston commencing September, 1970. He is a key part of the Branch Secretariat and among other duties he is deeply involved in the Branch re-organization and follow-on implementation studies. These studies will take many months to complete. I also believe that CAPT Jenkins' talents lie in staff work. He has been interviewed and it is apparent that by inclination and background he would be better suited for the Canadian Forces Staff College, Toronto rather than the CLFC&SC type of training.
2. I would like CAPT Jenkins to be taken off the list for the Kingston course and his records annotated that he should be given staff training at CFSC, Toronto in September, 1971.
